(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 42-5009, Arizona Revised Statutes, is amended to  
3 read:

4 42-5009. Certificates establishing deductions; liability for  
5 making false certificate

6 A. A person who conducts any business classified under article 2 of  
7 this chapter may establish entitlement to the allowable deductions from the  
8 tax base of that business by both:

9 1. Marking the invoice for the transaction to indicate that the gross  
10 proceeds of sales or gross income derived from the transaction was deducted  
11 from the tax base.

12 2. Obtaining a certificate executed by the purchaser indicating the  
13 name and address of the purchaser, the precise nature of the business of the  
14 purchaser, the purpose for which the purchase was made, the necessary facts  
15 to establish the appropriate deduction and the tax license number of the  
16 purchaser to the extent the deduction depends on the purchaser conducting  
17 business classified under article 2 of this chapter and a certification that  
18 the person executing the certificate is authorized to do so on behalf of the  
19 purchaser. The certificate may be disregarded if the seller has reason to  
20 believe that the information contained in the certificate is not accurate or  
21 complete.

22 B. A person who does not comply with subsection A of this section may  
23 establish entitlement to the deduction by presenting facts necessary to  
24 support the entitlement, but the burden of proof is on that person.

25 C. The department may prescribe a form for the certificate described  
26 in subsection A of this section. Under such rules as it may prescribe, the  
27 department may also describe transactions with respect to which a person is  
28 not entitled to rely solely on the information contained in the certificate  
29 provided for in subsection A of this section but must instead obtain such  
30 additional information as required by the rules in order to be entitled to  
31 the deduction.

32 D. If a seller is entitled to a deduction by complying with subsection  
33 A of this section, the department may require the purchaser which caused the  
34 execution of the certificate to establish the accuracy and completeness of  
35 the information required to be contained in the certificate which would  
36 entitle the seller to the deduction. If the purchaser cannot establish the  
37 accuracy and completeness of the information, the purchaser is liable in an  
38 amount equal to any tax, penalty and interest which the seller would have  
39 been required to pay under this article if the seller had not complied with  
40 subsection A of this section. Payment of the amount under this subsection  
41 exempts the purchaser from liability for any tax imposed under article 4 of  
42 this chapter. The amount shall be treated as a transaction privilege tax to  
43 the purchaser and as tax revenues collected from the seller in order to  
44 designate the distribution base for purposes of section 42-5029.

1 E. If a seller is entitled to a deduction by complying with subsection  
2 B of this section, the department may require the purchaser to establish the  
3 accuracy and completeness of the information provided to the seller that  
4 entitled the seller to the deduction. If the purchaser cannot establish the  
5 accuracy and completeness of the information, the purchaser is liable in an  
6 amount equal to any tax, penalty and interest that the seller would have been  
7 required to pay under this article if the seller had not complied with  
8 subsection B of this section. Payment of the amount under this subsection  
9 exempts the purchaser from liability for any tax imposed under article 4 of  
10 this chapter. The amount shall be treated as a transaction privilege tax to  
11 the purchaser and as tax revenues collected from the seller in order to  
12 designate the distribution base for purposes of section 42-5029.

13 F. The department may prescribe a form for a certificate used to  
14 establish entitlement to the deductions described in section 42-5061,  
15 subsection A, paragraph 48 47 and section 42-5063, subsection B, paragraph  
16 3. Under rules the department may prescribe, the department may also require  
17 additional information for the seller to be entitled to the deduction. If  
18 a seller is entitled to the deductions described in section 42-5061,  
19 subsection A, paragraph 48 47 and section 42-5063, subsection B, paragraph  
20 3, the department may require the purchaser who executed the certificate to  
21 establish the accuracy and completeness of the information contained in the  
22 certificate that would entitle the seller to the deduction. If the purchaser  
23 cannot establish the accuracy and completeness of the information, the  
24 purchaser is liable in an amount equal to any tax, penalty and interest that  
25 the seller would have been required to pay under this article. Payment of  
26 the amount under this subsection exempts the purchaser from liability for any  
27 tax imposed under article 4 of this chapter. The amount shall be treated as  
28 a transaction privilege tax to the purchaser and as tax revenues collected  
29 from the seller in order to designate the distribution base for purposes of  
30 section 42-5029.

31 G. If a seller claims a deduction under section 42-5061, subsection  
32 A, paragraph 25 and establishes entitlement to the deduction with an  
33 exemption letter that the purchaser received from the department and the  
34 exemption letter was based on a contingent event, the department may require  
35 the purchaser that received the exemption letter to establish the  
36 satisfaction of the contingent event within a reasonable time. If the  
37 purchaser cannot establish the satisfaction of the event, the purchaser is  
38 liable in an amount equal to any tax, penalty and interest that the seller  
39 would have been required to pay under this article if the seller had not been  
40 furnished the exemption letter. Payment of the amount under this subsection  
41 exempts the purchaser from liability for any tax imposed under article 4 of  
42 this chapter. The amount shall be treated as a transaction privilege tax to  
43 the purchaser and as tax revenues collected from the seller in order to  
44 designate the distribution base for purposes of section 42-5029. FOR THE  
45 PURPOSES OF THIS SUBSECTION, "REASONABLE TIME" MEANS A TIME LIMITATION THAT

34 wireless telecommunications equipment as an inducement to a customer to enter  
35 into or continue a contract for telecommunications services that are taxable  
36 under section 42-5064, gross proceeds of sales or gross income does not  
37 include any sales commissions or other compensation received by the retailer  
38 as a result of the customer entering into or continuing a contract for the  
39 telecommunications services.

40        P. For the purposes of this section, a sale of wireless

2 numbers for telecommunications services, including sales of reauthorization  
3 of a prepaid card or authorization number, are subject to tax under this

14 establish that the requirements of subsection B, paragraph 16, subdivision  
15 (b) of this section have been satisfied, the purchaser is liable in an amount  
16 equal to any tax, penalty and interest which the seller would have been  
17 required to pay under article 1 of this chapter if the seller had not made  
18 a deduction pursuant to subsection B, paragraph 16, subdivision (b) of this  
19 section. Payment of the amount under this subsection exempts the purchaser  
20 from liability for any tax imposed under article 4 of this chapter and  
21 related to the tangible personal property purchased. The amount shall be  
22 treated as transaction privilege tax to the purchaser and as tax revenues

24 section 42-5029.

42 2. "Other accessories and related equipment" includes aircraft  
43 accessories and equipment such as ground service equipment that physically  
44 contact aircraft at some point during the overall carrier operation.

1           3. "Selling at retail" means a sale for any purpose other than for  
2 resale in the regular course of business in the form of tangible personal  
3 property, but transfer of possession, lease and rental as used in the  
4 definition of sale mean only such transactions as are found on investigation  
5 to be in lieu of sales as defined without the words lease or rental.

6           V. For purposes of subsection J of this section:

7           1. "Assembler" means a person who unites or combines products, wares  
8 or articles of manufacture so as to produce a change in form or substance

21 accepted accounting principles and consistent with government contract  
22 accounting standards.

23          5. "Repairer" means a person who restores or renews products, wares  
24 or articles of manufacture.

25          6. "Subcontract" means an agreement between a contractor and any  
26 person who is not an employee of the contractor for furnishing of supplies  
27 or services that, in whole or in part, are necessary to the performance of  
28 one or more government contracts, or under which any portion of the  
29 contractor's obligation under one or more government contracts is performed,  
30 undertaken or assumed and that includes provisions causing title to overhead  
31 materials or other tangible personal property used in the performance of the  
32 subcontract to pass to the government or that includes provisions  
33 incorporating such title passing clauses in a government contract into the  
34 subcontract.

35          Sec. 3. Section 42-5075, Arizona Revised Statutes, is amended to read:

36          42-5075. Prime contracting classification; exemptions;  
37 definitions

38          A. The prime contracting classification is comprised of the business  
39 of prime contracting and dealership of manufactured buildings. The sale of  
40 a used manufactured building is not taxable under this chapter.

41          B. The tax base for the prime contracting classification is sixty-five  
42 per cent of the gross proceeds of sales or gross income derived from the  
43 business. The following amounts shall be deducted from the gross proceeds  
44 of sales or gross income before computing the tax base:

1        1. The sales price of land, which shall not exceed the fair market  
2 value.

3        2. Sales and installation of groundwater measuring devices required  
4 under section 45-604 and groundwater monitoring wells required by law,  
5 including monitoring wells installed for acquiring information for a permit  
6 required by law.

7        3. The sales price of furniture, furnishings, fixtures, appliances,  
8 and attachments that are not incorporated as component parts of or attached  
9 to a manufactured building or the setup site. The sale of such items may be  
10 subject to the taxes imposed by article 1 of this chapter separately and  
11 distinctly from the sale of the manufactured building.

12       4. The gross proceeds of sales or gross income received from a  
13 contract entered into for the construction, alteration, repair, addition,  
14 subtraction, improvement, movement, wrecking or demolition of any building,  
15 highway, road, railroad, excavation, manufactured building or other  
16 structure, project, development or improvement located in a military reuse  
17 zone for providing aviation or aerospace services or for a manufacturer,  
18 assembler or fabricator of aviation or aerospace products within five years  
19 after the zone is initially established or renewed under section 41-1531. To  
20 qualify for this deduction, before beginning work under the contract the  
21 prime contractor must obtain a letter of qualification from the department  
22 of revenue.

23       5. The gross proceeds of sales or gross income derived from a contract  
24 to construct a qualified environmental technology manufacturing, producing  
25 or processing facility, as described in section 41-1514.02, and from  
26 subsequent construction and installation contracts that begin within ten  
27 years after the start of initial construction. To qualify for this  
28 deduction, before beginning work under the contract the prime contractor must  
29 obtain a letter of qualification from the department of revenue. This  
30 paragraph shall apply for ten full consecutive calendar or fiscal years after  
31 the start of initial construction.

32       6. The gross proceeds of sales or gross income from a contract to  
33 provide for one or more of the following actions, or a contract for site  
34 preparation, constructing, furnishing or installing machinery, equipment or  
35 other tangible personal property, including structures necessary to protect  
36 exempt incorporated materials or installed machinery or equipment, and  
37 tangible personal property incorporated into the project, to perform one or  
38 more of the following actions in response to a release or suspected release  
39 of a hazardous substance, pollutant or contaminant from a facility to the  
40 environment, unless the release was authorized by a permit issued by a  
41 governmental authority:

42       (a) Actions to monitor, assess and evaluate such a release or a  
43 suspected release.

44       (b) Excavation, removal and transportation of contaminated soil and  
45 its treatment or disposal.

1 (c) Treatment of contaminated soil by vapor extraction, chemical or  
2 physical stabilization, soil washing or biological treatment to reduce the  
3 concentration, toxicity or mobility of a contaminant.

4 (d) Pumping and treatment or in situ treatment of contaminated  
5 groundwater or surface water to reduce the concentration or toxicity of a  
6 contaminant.

7 (e) The installation of structures, such as cutoff walls or caps, to  
8 contain contaminants present in groundwater or soil and prevent them from  
9 reaching a location where they could threaten human health or welfare or the  
10 environment.

11 This paragraph does not include asbestos removal or the construction or use  
12 of ancillary structures such as maintenance sheds, offices or storage  
13 facilities for unattached equipment, pollution control equipment, facilities  
14 or other control items required or to be used by a person to prevent or  
15 control contamination before it reaches the environment.

16 7. The gross proceeds of sales or gross income that is derived from  
17 a contract entered into for the installation, assembly, repair or maintenance  
18 of machinery, equipment or other tangible personal property that is deducted  
19 from the tax base of the retail classification pursuant to section 42-5061,  
20 subsection B, or that is exempt from use tax pursuant to section 42-5159,  
21 subsection B, and that does not become a permanent attachment to a building,  
22 highway, road, railroad, excavation or manufactured building or other  
23 structure, project, development or improvement. If the ownership of the  
24 realty is separate from the ownership of the machinery, equipment or tangible  
25 personal property, the determination as to permanent attachment shall be made  
26 as if the ownership were the same. The deduction provided in this paragraph  
27 does not include gross proceeds of sales or gross income from that portion  
28 of any contracting activity which consists of the development of, or  
29 modification to, real property in order to facilitate the installation,  
30 assembly, repair, maintenance or removal of machinery, equipment or other  
31 tangible personal property that is deducted from the tax base of the retail  
32 classification pursuant to section 42-5061, subsection B or that is exempt  
33 from use tax pursuant to section 42-5159, subsection B. For purposes of this  
34 paragraph, "permanent attachment" means at least one of the following:

35 (a) To be incorporated into real property.

36 (b) To become so affixed to real property that it becomes a part of  
37 the real property.

38 (c) To be so attached to real property that removal would cause  
39 substantial damage to the real property from which it is removed.
